* August language camps are focused toward preparing students for a smooth transition into a partial immersion language program (i.e. Blythe Academy.) However, these camps are also appropriate for new learners within the specified age range.

** This camp is for advanced students already attending an immersion program or for students with strong language skills. (Call for prerequisites.)

LANGUAGE CAMPS:

Summer language camps are designed to be a fun introduction to language learning. Children will enjoy the variety of crafts, music, games and hands on learning while they acquire basic culture & language skills. All LITTLE LINGOES camps include a gift, handbook and CD.

AGES 3-5

"Zoo Camp" – Zoo camp introduces popular animals – commonly seen in a zoo. Crafts, games and music are animal themes. The final day is spent at the zoo practicing all the fun words and phrases learned during the week.

"Little" Tales – A fun class for both boys & girls. Covering the two tales of "Little Red Riding Hood" and "The Little Hen and the Grains of Wheat." Students will be making masks, crafts, acting out as wolves, Little Red, the hunter, etc. and participating in puppets shows and more!

"Three times the fun" - A fun class for both boys & girls. This camp will cover the "Three Little Pigs" and "Goldilocks and the Three Bears." Students will be making masks, crafts, acting out as wolves, Bears, etc. and building houses and eating porridge! *(Ice cream of course!)*

RISING K-2nd

"Fun Camp" – Introductory topics for new learners. Basic colors, numbers, body parts, family etc. are covered in this wonderful and "FUN" summer camp. Crafts and games are designed around each topic to keep the camps fun and interesting throughout the day.

AGES 5-8 & 7-10

"Summer Theme" - Older students will learn more about the summer themes (at the park) and more! Students will be able to go outside and get first hand tactile learning along with fun "summer" related snacks and games.

"Beach" – Go to the beach without having to travel! Our beach theme will teach sea creature, and all the beach topics that go with it! Students will have the opportunity to play in the water and sun.

RISING 2nd – 4th

"SILLY" – Have fun being SILLY as we learn the proper words, but use them in silly ways! This helps reinforce the concepts and impacts the learning process. Students will have a field trip at the end of the week to practice their skills in a "real life" situation.

"SUPER SILLY" – Same idea as SILLY camp, but different everyday topics and field trip.

PARTNERS

International Center of the Upstate (ICU) (864) 467-4579 www.internationalupstate.org

"CULTURE CAMP" - Travel around the world with THE INTERNATIONAL CENTER OF THE UPSTATE! The ICU is joining Little Lingoes with a wonderful focus on cultures around the world. Activities will include interesting music, crafts, geography, writing & speaking introductory words in target language, cultural food snacks and special guests! A great way for your child to be introduced to the many wonderful languages and cultures in the world!

Mad Science: (864) 268-5722 www.madscience.org/upstatesc

"NASA: Journey into Outer Space" - From our Earth's atmosphere to the outer reaches of our solar system, this hands-on program for children ages 5-12 sends them on a quest for exploration! Comets, planets, stars and more are all waiting to be discovered. Learn about the four forces of flight, the challenges of space travel, and participate in a rocket launch!

* **"The Science of Space, Nature & Secret Codes"** - Campers will discover how to send secret messages using special codes, explore their environment, and find out how science can help us to protect our planet. Your Mad Scientist will learn how Newton's Laws are at work in their favorite sports and join the ranks of space examining the mysteries of the solar system.

* **TOPIC OF SPANISH 7/19 CAMP ALSO.**

"Secret Agent Lab" - Go inside a scientist lab and discover the secrets you've always wondered about. Use your skills as a chemist to make your own radical reactions. Compare fingerprints and discover the mysteries of DNA as you fine tune your secret agent skills. Learn about bones and much more to become a Secret Agent!
